Contagious Blood Poison

using the same toilet articles, or otherwise coming in contact with persons who have contracted it.

It begins usually with a little blister or sore, then swelling in the groins, a red eruption breaks out on the body, sores and ulcers appear in the mouth, the throat becomes ulcerated, the hair, eye brows and lashes fall out; the blood becoming more contaminated, copper colored splotches and pustular eruptions and sores appear upon different parts of the body, and the poison even destroys the bones.

S. S. S. is a Specific for this loathsome disease, and cures it even in the worst forms. It is a perfect antidote for the powerful virus that pollutes the blood and penetrates to all parts of the system. Unless you get this poison out of your blood it will ruin you, and bring disease and disease upon your children, for it can be transmitted from parent to child. S. S. S. contains no mercury or potash, but is guaranteed a strictly vegetable compound.

graphically, that it is accessible to a very large number of the U. C. V. Camps.

Such as the benevolent care through State aid or otherwise, of disabled, destitute and aged veterans and the widows and orphans of our fallen brothers in arms, which will be one of the most important matters for our consideration. In this connection the general commanding calls especial attention to the increasing age, multiplied sorrows and corroding cares of many of the gallant old soldiers, who risked their lives and fortunes for what they considered right during the eventful years 1861-65. Through the mortuary reports received at these headquarters he is daily and almost hourly reminded that the lengthening shadows of time are fast setting over the old heroes. Having out already beyond the allotted span of human life, many of whom had already passed the age of manhood when, over forty years ago, they promptly and nobly responded to their country's call. It is our duty to do our best to keep up their spirits and morale, and to the young men who have now come to the front, to whom he will leave his best efforts, to aid and encourage them in the possession of which said young men are now making appeals to all the members of the gallant army of the U. C. V. Association who are still upon the field of battle.

Mexican Mustang Liniment

will readily overcome loss of limb, broken heart and fractured bone, scalds and cattle, farmyard &c.

A toad under a harrow

... suffers no more than the faithful horse that is tortured with Spavine, Swiney, Harnessa Sores, Sprains, etc. Most horse owners know this and apply the kind of sympathy that heals, known far and wide.

Mexican Mustang Liniment

Never fails—not even in the most aggravated cases. Cures caked udder in cows quicker than any known remedy. Hardly a curse peculiar to muscle, skin or joints that cannot be cured by it.

Mexican Mustang Liniment

is the best remedy on the market for Windfalls, Sprains and Skin Lesions. It keeps horses in fine condition.
